Park Reservation System Closed for Upgrades November 3-15 CA State Parks Encourages Visitors Make Reservations Now

SACRAMENTO – California State Parks reservation operator, ReserveAmerica, will be upgrading the system November 3-15, during which time no reservations, changes or cancellations will be accepted.

The new upgrades will provide increased Web site and call center performance, resulting in quicker reservations for visitors. The upgrades will also include additional features online.

Again, no reservations, changes or cancellations will be accepted during this time, either online or at the call center. The call center will be answering calls during this time only to provide information.

Customers are encouraged to book before November 3rd if they are anticipating an overnight visit to a state parks during that time period, or if they typically book advance reservations during those dates.

To book a reservation now, visit www.ReserveAmerica.com or dial (800) 444-7275.
